

Adding more men for discipleship!

Lately the LORD has added more men into Darin's regular routine for discipleship. This means adding to a fairly full schedule, but it works out well with some businessmen to only meet monthly. In fact, *if Darin meets a man for lunch the first Monday of each month instead of meeting on all the Mondays, many days open up for that guy to have lunch with a few other guys whom he discipled.* The new men doing discipleship have encouraged us and **we'll tell you about ways that God has worked in them** using their initials. Please pray for all of us to grow in Christlikeness!

LP: this businessman has a heart for evangelism that he hasn't compromised while having huge success at times in business. He even witnesses with Darin to unsaved patrons of our local YMCA and goes through great discipleship materials with Christian men. In Darin's time with him at a country cabin style eatery, after the two of them share their lives and Scripture, they play intense chess on the restaurant table. Very fun, competitive and bonding for them!!

MC: meeting with him brings encouragement due to MC's passion for the Great Commission of Matthew 28:18-20. This young businessman has wondered about going into full time ministry and feels led to stay in business in order to reach people in the market place. MC plans to monitor how much evangelism and discipleship he can accomplish through his work, while preparing to possibly use his future skills as a missionary doing "business as mission."

MT: this man shared in Darin's initial breakfast with him how he'd left a prominent accounting firm for the sake of devoting himself to studying, obeying and teaching God's Word (Ezra 7:10). He has sold most of his earthly belongings and literally spends his day in Scripture. With a small job to make ends meet, he joyfully discusses with Darin his amazing ministry strategies.

During the year everyone receiving this gets prayed for still by name at least once for each letter, so please request prayers about anything going on or others you know with needs whenever you'd like to have something special offered.
