

## *Involving our family in making disciples!*

Involving the whole family in a ministry makes a difference in people's lives in many wonderful ways. On the one hand, it enables your wife and children to minister in their unique ways for encouragement in knowing they can make a difference in the life of people. On the other hand, it enables others to see more examples through all the different ways family members follow Christ.

With this in mind, we have reached out to those involved in LOGOS Leaders Outreach from our neighborhood and the rest of our neighbors by starting a Family Bible Study on the Gospel of John at our local pool (picture enclosed of Darin after he and a 13 year old girl named Catherine quoted Ch. 1!).

We have seen some families blessed by this so far as we discuss the claims of Jesus Christ and how to know Him. Darin and Ashley led a neat lady to Christ at a swim meet last month, which led to the idea of including all ages and backgrounds to hear more. All six Maurers joined the outreach shown in the picture.

Another time of involving our family in making disciples happened recently when our oldest son Christopher went with Darin and a man getting disciplined named Jay to a ¼ mile race track. Jay discussed his great testimony after a night of watching and racing. Our oldest child Margaret has also joined Darin in meeting with a man on our board named Dougal to show how we do discipleship. Our other children John and Ashley will get their opportunities soon. Please pray for all of us!

During the year everyone receiving this gets prayed for still by name at least once for each letter, so please request prayers about anything going on or others you know with needs whenever you'd like to have something special offered.
