

## *Ministering to men during racial and health unrest*

During the current turbulent times, a couple of [special ministry opportunities occurred this month](#). The first involved us helping a stranded motorist late at night in an inner city location of Dallas, TX. While driving through a dangerous part of town after a friend's wedding, and aware of the animosity some have lately pitting whites versus blacks, we met a black man named Michael trying to push his car up a road. When he mentioned that he had money but no gas, Darin decided to take Allison back to our residence and stayed up til 2am working on Michael's situation. Not knowing how to help, Darin's decision to use AAA's car program meant lots of time **talking about Jesus** while getting him the gas.

A second opportunity happened in the relatively calmer setting of a tennis country club near our home in Houston. As the pandemic has progressed with so much uncertainty about how to respond, many business leaders have greater discretionary time. Perhaps in part from that and hopefully due to the life-changing teaching from Scripture, the Bible Study pictured below at the Houston Racquet Club had a record turnout recently of 11 men (12 counting the one not pictured and Dan the leader who had a family vacation). Dan's leadership of this outreach has resulted in many ways from him doing discipleship with Darin and has produced men who better understand how to **obey God's Word** daily!

Let's pray for God to work in and protect our country during the unrest we face, while **proclaiming Christ** with all the unique situations we encounter now. Thanks so much for the *prayers and amazing financial support during this time!!*

During the year everyone receiving this gets prayed for still by name at least once for each letter, so please request prayers about anything going on or others you know with needs whenever you'd like to have something special offered.
