

Whatever it takes to get God's Word in disciples!

Whatever spiritual disciplines or planning it takes to make the Word of God a part of a person's life, it works well as long as the disciple develops habits to help him grow in his relationship with Jesus Christ. One of the men doing discipleship with Darin has recommitted his life to Christ and likes Darin's *system of daily One Year Bible reading*. To personalize this for himself and read the Bible entirely, he developed a system pictured below as a way to keep track of his progress (a little hard to see but you'll note each book of the Bible listed with personal notes to guide the process and it doesn't have to look pretty in order to work)! He's recently started his **2nd reading** through each book!!

During discipling appointments with this Christian brother, it feels so encouraging to hear the questions and lessons he has from studying Scripture. Some of the most basic ideas get covered, while other times he says such profound truth that you'd think he just finished Dallas Theological Seminary. Let's **follow his example** and get others in God's Word!

During the year everyone receiving this gets prayed for still by name at least once for each letter, so please request prayers about anything going on or others you know with needs whenever you'd like to have something special offered.
