

Special outreach with a businessman encouraging men to make disciples

Recently we asked *Terry Looper* (pictured), the CEO of highly recognized Texon, to share his godly story of coming to Christ and making disciples through his efforts in business. The Lord filled a room with the maximum capacity of 200 men to hear how Terry has grown his business while still scheduling time to disciple men. Men left the unique meeting challenged to do this themselves.

Most men have never had anyone hold them accountable to apply God's Word in their life, so Terry's example went a long way. **After the event a man disciplined by Darin said that he would start discipling another man he'd brought to the outreach.** Another man emailed that he felt led to finally start discipling others after experiencing the benefit of this in college. Please pray that all those in attendance would pause their busy lives and make it a priority to schedule time in the Word with at least one other man!

17 of the 51 men meeting for individual discipleship with Darin now have their own outreach to more men. One of Darin's guys has grown so much through memorizing the Word that he now disciplines another man using Scripture memory. *We still need funding for monthly costs, but the changed lives lead to increasing support and satisfaction.*

If anyone wants to support LOGOS Leaders Outreach in establishing the ministry, please prayerfully consider a onetime gift or if possible investing \$25 monthly (that average with local support would cover costs to sustain the ongoing discipleship).

During the year everyone receiving this gets prayed for still by name at least once for each letter, so please request prayers about anything going on or others you know with needs whenever you'd like to have something special offered.
