

## ***Opportunity to change men into disciples and disciple makers!***

Dear, Friend -- many men in the US as well as around the world have a huge lack of accountability and encouragement in living the Christian life every day to know God like Scripture teaches. *Approximately 60% of Christian men have sought out some form of pornography. Among Americans, a new study affirmed born-again Christians are just as likely as the average American couple to divorce and 35% of Christians do not read the Bible at all. Almost no Christian leaders meet consistently with others to disciple them.*

LOGOS Leaders Outreach exists to stand in the gap (Ezekiel 22:30), of this dearth in discipleship by showing how we can individually disciple men to really know God daily through His Word. This is done through one-on-one time with about 50 men individually each two weeks (most every day has at least 5 significant apmts!), as well as small groups and an emailed lesson from the One Year Bible in the mornings to over 500 now. **Men need this teaching from the Word with feedback and applications.** Look here to see a video, of the desperate need for this outreach, that takes 10 min:

Starting in 2008 the LORD has steadily added the monthly support needed to sustain discipleship, with extra time spent raising annual contributions to cover costs. Many of you receiving this already support or pray for our ministry to leaders. **Would anyone like to join a new group of 75-100 supporters to each contribute an average of \$75-100 monthly to secure what the ministry needs to reach men** (yearly operational costs including outreach meals, materials, salaries, accountant charges and events currently get covered through onetime donations and the ministry needs \$7,500 of additional monthly donations during the yr!). Please let us know of your interest if we haven't talked yet and thanks for praying!

***If you had a chance to see the life changes in men from getting into God's Word, you'd understand our incredible joy that makes any difficulties worth it. Marriages have improved, ministry by men has begun among those who never dreamed they could make disciples of Jesus Christ and many lives have changed forever.*** For sustainability, our Board of Directors hopes before long to have those getting disciplined provide any donations necessary and we understand if you have other needs to address. Please let Darin know, if contacting us, who else you think would prayerfully consider investing \$75-100 per mo!

**Thank you very much for caring about men making disciples** instead of missing the point of our salvation: to know God and make Him known. *Men cannot apply God's Word and have the discipline needed to walk with God without other men.* Let's use our time, talent and treasure to fulfill the Great Commission together!! Matthew 28:18-20

During the year everyone receiving this gets prayed for still by name at least once for each letter, so please request prayers about anything going on or others you know with needs whenever you'd like to have something special offered.
