

## *Securing Support for Men Learning to Make Disciples!!*

Dear Friends, 2018 marks this men's disciple-making ministry's 10<sup>th</sup> yr! As many of you know, through the daily outreach, one man after another has changed into the image of Jesus Christ. Currently 80 men get disciplined individually with training in how they can disciple even more in marketplace settings as well as various places around the world. Driving all over Houston and using the phone with those in other states or countries, Darin has packed days of pouring God's Word out! **2 Timothy 2:2!**

The discipleship strategy involves something simple enough by design that anyone can replicate it if they'll devote the time: stated simply, men commit to share the situations they face in life with each other and learn how to apply God's Word in their lives. Everyone impacted by this deeply personal discipleship experiences growth in the following goal: **knowing God through Spirit-filled obedience to Scripture and Christlike disciple-making.**

With the ministry multiplying lately all over Houston and beyond, support for LOGOS Leaders Outreach has come from very faithful contributors in various ways! As we've focused on the ongoing ministry each day, it makes sense how much it would help to have monthly costs covered by monthly support, instead of having to get everything covered at the end of the yr: *as of this fall we need \$7,500 in new monthly donations.*

We think investing in this ministry makes sense in our world with so many other good options of giving for the following reason: **this particular outreach trains every man specifically to fulfill Jesus Christ's commandment to make disciples.** One of the testimonies about how it works appears with this letter. With all of this in mind, would you please spread the word to as many as possible about the training, let us know of possible supporters and prayerfully consider a onetime or monthly investment to finish the funds still needed for budget costs each month?! Thank you!!

During the year everyone receiving this gets prayed for still by name at least once for each letter, so please request prayers about anything going on or others you know with needs whenever you'd like to have something special offered.

### Board Members

LOGOS Leaders Outreach operates through prayer and financial donations from supporters.
