

Discipleship Luncheon makes an impact on men!

We recently had a luncheon to gather businessmen interested in hearing about discipleship through LOGOS Leaders Outreach. About 35 men heard an explanation of how discipleship involves learning God's Word with another man. Darin emphasized that everyone can and should consider to make disciples like this as part of the Great Commission in Matthew 28:18-20. Our web site at the bottom of this letter helps people know how to start the process. Please look when you get a chance!

A businessman named Dan at the luncheon shared specifics of how Darin's discipleship with him has changed his life. He used the acronym FEAST to give five word pictures of God working in his life (email us if you want his detailed descriptions of these!): **Focus; Experience; Action; Sustain; Truth.**

Also at the event, Darin introduced two of the men he has in a 2 Timothy 2:2 disciple chain who would agree with Dan that discipleship has changed their lives (pictured with their godly and grateful wives below!). Darin disciples one of the men, who then meets with the other man. They study and memorize the Gospel of John as a way to apply the Word to what they need to deal with daily in life. All the wives share in this ministry, as Allison does discipleship with the first man's wife who has impacted the wife of the other man.

During the year everyone receives prayer requests gets prayed for still by name at least once for each letter, so please request prayers about anything going on or others you know with needs whenever you'd like to have something special offered.

Our good friend and biblical speaker David Moore (<http://www.twocities.org>), spoke at the luncheon from Proverbs 6-9. Dave motivated everyone to take time studying Scripture.

He gave us this motivation by showing the greater benefit of gaining God's Wisdom from His Word in comparison to anything the world has to offer us.

After the luncheon, we received the note copied in part below. It shows us how God keeps developing this outreach!

"Hi, Darin, I wanted to reach out to you after attending the luncheon last week at the Houston Racquet Club, but you were busy and I had to head back to the office. Jay, my neighbor, invited me out to the lunch which I absolutely enjoyed. It was amazing to see a group of guys get together and talk about how we can support each other through the bible. I have been a church goer for most of my life and feel like the past decade, my walk with God has not been nearly as strong as it should be. I really feel like this can help me get to where I need to be. I was wondering how I can get set-up with either you or another leader of LOGOS? Jay speaks very highly of you and has said great things about how the discipleship has been a big part of his life. Look forward to hearing back from you. Thanks"
