

Training Men in One on One Ministry

Darin individually trains about 5 men daily in discipleship using God's Word to grow into the image of Jesus Christ (Romans 8:29). **This one on one focus teaches a man how to meet with other men alone and find Scripture that relates to the other man's life** (note the Bible Bag in the above pics!!). Men need the privacy of these gatherings at restaurants, offices [or often in Darin's case tennis courts early in the mornings or late at night on a basketball court once a wk!], to open up more on details of their relationship with God. Dirk on the left and Hank on the right in these pictures actually meet together with Darin in between their breakfast apmts: this allows more training in how to answer questions. Says Dirk, **"Darin models discipleship for me, always prays deeply for what is going on in my life (this is a 2-way relationship), and constantly reminds me what the Word says about any and all in our lives including the command and privilege to make disciples."** Both Dirk and Hank faithfully tell others about Jesus Christ and have impacted men for the Gospel. Together we pray for many individuals in their lives to whom they have reached out. *Many of the 60+ men in Darin's discipleship have learned to change lives for Christ like this and please pray that this method spreads to more!!!*

During the year everyone receiving this gets prayed for still by name at least once for each letter, so please request prayers about anything going on or others you know with needs whenever you'd like to have something special offered.
