

## *Ministry and Fun Family Moments at Home in HI!*

We recently returned from getting time back home in Hawaii for Darin, and had so many supportive moments to keep us going until the next opportunity we get to see our family members there. All 3 siblings live with their families near his parents (pictured below!) and they probably wonder why God hasn't led us to minister in HI! We had great talks about the LORD Jesus at work in this world and the need to spread God's Word!!! Allison did two presentations to a lady's Bible Study that Darin's Mom leads wkly: the picture on the right below shows Allison's explanation of how to share the Gospel, with notes above her diagram from Darin after he taught on evangelism.

On one occasion we had an encouraging interaction about the special role of missionaries and the wonderful importance of Hawaiian missions. It helped to discuss how these committed Christians in the early 1800s made it possible for an entire culture to hear how they could go to heaven instead of worshipping idols. With a goal for accurate information growing in society, it felt neat having a biblical talk considering how history shows a love of those risking their lives to bring the Bible to everyone on earth. Fun times in the ocean for us also made the trip special, with even a kayaking expedition...also standup paddling. Well, now back to mainland ministry in TX!!

During the year everyone receiving this gets prayed for still by name at least once for each letter, so please request prayers about anything going on or others you know with needs whenever you'd like to have something special offered.
