

## *Men impacting men to lead more to Christ!*

Four years ago, Darin starting doing discipleship with Dan (on Darin's left above & near the middle below in this month's pics!), which has led to more ministry recently to men. When they first met, Dan would patiently hit tennis balls with Darin before or after studying Romans and any Scripture Dan wanted to learn.

Over time, the Bible impacted Dan's life in noticeable ways that included peace and perspective on the goals in life that God's given him. Dan has a leadership role with business leaders at a local country club that gives him influence on the way other men live their lives. **Individually discipling Dan offered the potential to not just grow him up in the LORD, but also reach many more.**

A workplace Bible study led by LOGOS Leaders Outreach board member Adam Seals (pictured holding his Bible), has helped Dan grow even more in his faith the last 2 years. Now Dan has started his own Bible Study at the place he plays tennis with prominent men who respect him enough to hear how they can know God personally. Dan now wants to begin discipling other men himself.

Also, at Dan's last Bible study a lawyer asked another lawyer to share something about Darin's role in his life. *This leader said the Holy Spirit used Darin's 4am UTAWG (undistracted time alone with God), to have him start every day for the last couple months by 4:30 in the Word, which has changed his life.* Dan and Darin would appreciate your prayers for their combined outreach.

During the year everyone receiving this gets prayed for still by name at least once for each letter, so please request prayers about anything going on or others you know with needs whenever you'd like to have something special offered.
