May we never grow weary of worshipping Him today!

**Darin and Allison:** Darin is now in his 12<sup>th</sup> year with LOGOS Leaders Outreach! He continues to be blessed by so many discipleship relationships as well as reaching non-believers. PTL! He goes to offices, restaurants and courts (tennis and b-ball): using God’s Word with men to grow together in knowing Christ and making Him known. Allison holds down the home front and also leads a small group Bible study. We saw her dad Bill “Pop” McKenzie graduate to heaven on August 27<sup>th</sup>. Oh, what an entrance for him!

**Margaret and Wilson** are just finishing their 1<sup>st</sup> year of marriage and we love seeing how they enjoy and support each other! They live and work in Dallas, Wilson works for Swingle-Collins, a commercial insurance company, and Margaret works in marketing for KDC, a real estate company. They also enjoy a couples’ small group Bible study from their church, Highland Park Presbyterian, as well as a busy social calendar with OU and SMU friends!

**Christopher** loves living in Austin where he can live with a great group of guys, go to UT athletic events, enjoy biking and attend his church from college, Providence. He works downtown as a real estate analyst for Frost Bank. Last spring he took up a new opportunity and coached a Little League team from East Austin. This fall he has participated in a youth mentoring program.

**John** is our world traveler! Last summer he was in Indonesia with East West ministries for 11 weeks. Over Christmas break he will fly to South Asia with a group from his church to participate in ministry and have a vision trip. Lastly, he will go to Botswana, Africa this summer to take classes and an internship for his Sustainability major at UT. He also loves all that Austin has to offer!

**Ashley** is a Junior at Second Baptist School and active socially and athletically; she cheers this year for the Varsity squad. Last summer she: travelled to Hawaii, had an interior design internship with her uncle’s company, StreetLights Residential in Dallas, and attended camp at Pine Cove. She continues to minister to orphans in Zambia.
