

An encouraging note and ministry development!

We recently received an encouraging note (shown to the side), from a business leader in Houston. It shows LOGOS Leaders Outreach making an impact through discipleship and Darin's focus to follow Christ in front of businessmen. Christians in business and all walks of life want to see how to keep the Gospel of Jesus Christ as their top priority.

Men need encouragement, examples and accountability. They know God more by individually learning God's Word with another man. *Darin's reputation of discipling businessmen and having them apply the Bible led the author of this note to ask Darin to disciple men in his company. This will make more market place followers of Christ!*

In addition to more discipleship opportunities, the other man mentioned in the note met with Darin and discussed how Scripture applied to his career decisions. This helped avoid a change in employment that would've made more money (millions he said!), but lessen Gospel contacts. Then he asked about our ministry finances and made an amazing contribution for 2 months missing support. We see God developing ministry and hope you like the note!!

Darin,

I love you brother. [Another businessman] and I were talking. About how important and critical it is to have a gospel lens by which we see everything and that our intent is always put before Christ and others so we can be pure and give Him Glory! We both admire that about you. Admire the lens you see through.

We were thinking how cool would it be if our office had you discipling and being this objective Gospel sounding board. In essence, our "office chaplain"! We have a great group of believers in this office who I know would be incredibly encouraged by this idea who also would like to support Logos.

I don't have any specifics, but it just makes my heart sing to think about it. Would love to take you to lunch and get your thoughts good brother. Hope you are well and thanks for the impact you have made on our lives through your intentional pursuit of Him.

During the year everyone receiving this gets prayed for still by name at least once for each letter, so please request prayers about anything going on or others you know with needs whenever you'd like to have something special offered.
