

Maurer Family Milestones, Memories and Missions!

On May 27th, John Roland Maurer graduated from Second Baptist High School. He has received some special awards, and now heads off to study Mechanical Engineering at the University of Texas. This fall he'll join our oldest son Christopher, who has one more year of undergraduate studies on that campus at the McCombs School of Business. Our oldest child Margaret has worked in Dallas, TX since her graduation from the University of Oklahoma last year, and Christopher's internship with JP Morgan has him in her city for the summer. That leaves us soon with one child at home, Ashley, who has made it onto the 2nd Baptist 8th Grade cheerleading squad for the coming year. Last but not least on June 20th, the parents of this family celebrated 29 years of marriage, which means we can look forward for just a little longer till the Terrific Thirty milestone. So many memories of parental efforts to raise servants of Jesus Christ, with much more in store: hooray for Ashley's age of 13.

Before the summer ends, Darin and John get to have another father/son outreach with a basketball missionary team to the Philippines. Serving with Sports Ambassadors, this will involve an intense schedule from June 28 – July 15. This mission makes it a priority to work with local pastors, which enables players to present the Gospel with teammates at halftime of highly popular games daily in the Muslim areas of Butuan and San Franz. John and Darin attended a seminar on Islam before leaving, and we would appreciate your prayers for them when you receive this. Allison has let Darin play basketball like he still has some college eligibility to prepare for the fast-paced Filipino style of hoops that will take a lot of strength from the LORD (hopefully they'll avoid sickness since on some days they actually have clinics scheduled along with possibly 2 games the same day). Building relationships while explaining what it means to believe in and follow Jesus Christ will help the ministries of Christians in area churches. John's done a great job witnessing in a similar overseas setting and Darin even gets to preach a couple of sermons. Please pray for the Gospel to penetrate the Philippines and more Filipinos making disciples from their time there!!

We appreciate your faithful support of our family in the Philippines and Texas.

During the year everyone receiving this gets prayed for still by name at least once for each letter, so please request prayers about anything going on or others you know with needs whenever you'd like to have something special offered.
