

## *Engaging everyone in spiritual conversations!*

Lately a lot of conversations have happened in which the topic of Jesus Christ gets brought up pretty simply. Interesting enough, it still feels scary to mention Him in every day talks with those around us. Darin has had some success simply mentioning His Name as you would any other Person. For example, when talking to a restaurant waiter or new tennis opponent (respectively shown below on the left from the past and presently on the right), it helps to act genuine. Saying things that come to mind like you would with a friend creates a safe space for mentioning Jesus.

Asking about the person's day or offering to pray about anything they need in life really goes far in getting to the place where you could share a 3-minute testimony about how you experienced for the 1st time the peace of putting your faith in Jesus' death & resurrection for your salvation. It seems hard to imagine in an increasingly secular politically correct culture, but more people want to talk about God. It even works to share the 4 Spiritual Laws bklt! Let's prayerfully engage ppl!!

During the year everyone receiving this gets prayed for still by name at least once for each letter, so please request prayers about anything going on or others you know with needs whenever you'd like to have something special offered.
